PROFESSIONAL SUMMARY

Final-year Computer Science and Engineering undergraduate (2026 batch) with a solid background in programming and software engineering. Experienced in developing and evaluating web-based and backend applications. Possess strong analytical, communication, and collaboration abilities, as well as the ability to learn rapidly and contribute successfully in a quality-driven, client-centred workplace.

SKILLS

Programming Languages: Java, Python, C, C++

Web Technologies: HTML, CSS, JavaScript

Databases: MySQL, MongoDB, SQL

Tools & Platforms: Git, GitHub, VS Code, Eclipse IDE, Docker

Soft Skills: Logical Analysis, Team Collaboration, Presentation skills, Active listening, Emotional Intelligence.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering

2022-2026

Chandigarh University, Mohali (CGPA-7.73)

Punjab, India

PROJECTS

CloakShare - Temporary File and Text Storage

Aug 2025

Technologies Used – Java, MongoDB, Node.js, Docker, Google Drive API

- Architected MERN stack application handling 1,000+ monthly file uploads with 25% faster response time compared to previous solution.
- Integrated Google Drive API with end-to-end encryption for secure file management, improving file retrieval speed by 40% and enabling storage of 500+ GB of sensitive data.

NLP-Based Resume parser

Jan - March 2025

Technologies Used – Java, HTML, CSS, JavaScript, MySQL, NodeJS

- Built an NLP-based resume parser to extract key candidate details from 100+ resumes, reducing manual screening effort by ~60%.
- Implemented Named Entity Recognition (NER) and classification algorithms to improve resume-to-job matching accuracy by ~30%, resulting in faster and more consistent candidate shortlisting.

CERTIFICATION

- | | |
|--|------|
| • Database and SQL for Data Science with Python - Coursera . | 2024 |
| • Data Analytics Essentials - CISCO . | 2024 |
| • Cybersecurity Attacks and Defence Fundamentals, NoSQL, Big Data, and Spark Foundations (IBM) - Coursera . | 2025 |

ADDITIONAL INFORMATION

Languages Known: English, Hindi, Punjabi.

Relevant Interests: Data Analysis, Web Development.
